Aims and Learning Outcomes for strategic leaders in EOLC over the 4 ALS workshops June to October 2019

1. **National policy** - To be updated on national policy in EOLC - LTP, NICE, QOF, NHSE Ambitions, CQC relating to end of life care across health and social care.
2. **Vision, raising the bar and ambitious attainment of Sect 1.42 LTP** - To hear ideas and suggestions to 'raise the bar', develop the vision and attain ambitious fulfilment of Section 1.42 of the Long Term Plan.
3. **Effectiveness** - To discuss potential ideas for values-based effectiveness and economic benefits.
4. **Overcoming practical challenges** - To learn from panel, good practice exemplars and others of practical challenges and successes on the ground, integrated approaches and sustainable service improvements.
5. **Commissioning and implementation** - Using QI methodology to shape your local vision, means of implementation and commissioning plan in line with national policy and guidance.
6. **Measurement** - to discuss availability of measures and use of key EOLC metrics in your area.
7. **GSF or others** - To discuss any areas of interest related to GSF /other Quality Improvement programmes.
8. **To develop your own LTP plan response - To support and enable strategic leaders to develop their own ambitious effective local ICS/STP EOLC strategy by December 2019.**
