

"Going for Gold - delivering Proactive Personalised
Coordinated End of Life Care with The NHS Long Term Plan"

Showcasing examples of excellence from GSF accredited care homes, hospitals, GP Practices, hospices, retirement villages, prisons and others to inspire you to improve end of life care in your area.

At this London conference, run by The National GSF Centre, we will hear from inspiring keynote speakers on current topics in end of life care, learn practical ideas from frontline teams across health and social care as exemplars of best practice and celebrate excellence with the GSF accredited teams.

The NHS Long Term Plan recommends end of life care that is proactive, personalised and well-coordinated. These frontrunning teams **demonstrate what is possible to achieve** across all settings, inspiring and encouraging you to develop top quality care. Join us to hear top level speakers, the experiences of awardwinning teams, practical advice on implementing best practice in your area across settings and the chance to network with others committed to improving end of life care.

"Its absolutely amazing conference and not to be missed! Not the usual kind of conference - more a community of best practice" Delegate at previous Conference
